Disclaimer

This presentation (the "Presentation") has been prepared by Banco Santander, S.A. ("Santander" or "the Company"). For the purposes hereof, the Presentation shall mean and include the slides that follow, any prospective oral presentations of such slides by the Company, as well as any question-and-answer session that may follow that oral presentation and any document or informative materials distributed at, or in connection with, any of the above.

All the information regarding Banco Popular, S.A. ("Banco Popular") included in this Presentation has been derived from publicly available information prepared by Banco Popular and has not been independently verified by Santander.

No representation or warranty, express or implied, is made by Santander or any of its affiliates (Santander Group), nor by their directors, officers, employees, representatives or agents as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions expressed herein. None of Santander nor any of its affiliates, nor their respective directors, officers, employees, representatives or agents shall have any liability whatsoever (in negligence or otherwise) for any direct or consequential loss, damages, costs or prejudices whatsoever arising from the use of the Presentation or its contents or otherwise arising in connection with the Presentation, save with respect to any liability for fraud, and expressly disclaim any and all liability whether direct or indirect, express or implied, contractual, tortious, statutory or otherwise, in connection with the accuracy or completeness of the information or for any of the opinions contained herein or for any errors, omissions or misstatements contained in the Presentation.

Santander cautions that this Presentation may contain forward looking statements and estimates with respect to the business, financial condition, results of operations, strategy, plans and objectives of the Santander Group. These forward-looking statements are found in various places throughout the Presentation and include, without limitation, statements concerning our future business development and economic performance, including the anticipated benefits of our acquisition of Banco Popular and the improvements we expect to be able to achieve in the acquired business. While these forward looking statements and estimates represent Santander Group current judgment on future expectations concerning the development of its business, a certain number of risks, uncertainties and other important factors could cause actual results to differ materially from Santander Group expectations. These factors include, but are not limited to, (1) market situation, macroeconomic factors, governmental, political and regulatory trends; (2) movements in local and international securities markets, currency exchange rate and interest rates; (3) competitive pressures; (4) technical developments; (5) changes in the financial position or credit worthiness of Santander Group customers, obligors and counterparts and (6) and asset quality or other contingencies at Banco Popular are unknown to us at this time. These and other risk factors published in Santander Group past and future reports and documents, including those filed with the Spanish Securities and Exchange Commission ("CNMV") and with the U.S. Securities Exchange Commission (the "SEC") and available to the public on Santander's website (www.santander.com) and in the CNMV's website (www.cnmv.es) and the SEC's website (www.sec.gov), as well as other risk factors currently unknown or not foreseeable, which may be beyond Santander's control, could adversely affect our business and financial performance and cause actual results to differ materially from those implied in the forward-looking statements and estimates.

The information contained in the Presentation, including but not limited to forward-looking statements and estimates, is provided as of the date hereof and is not intended to give any assurances as to future results. No person is under any obligation to update, complete, revise or keep current the information contained in the Presentation, whether as a result of new information, future events or results or otherwise. The information contained in the Presentation may be subject to change without notice and must not be relied upon for any purpose.

This Presentation contains information in connection with the acquisition of Banco Popular (the "Transaction") including in relation to the estimated impact of such transaction on the business of the Santander Group. The information in connection with the Transaction has been prepared by Santander internally. Such information has not been audited by Santander's auditors. The information regarding the Transaction has been prepared by Santander, on the basis of the criteria and assumptions the Company has deemed convenient, deemed references to which are included throughout the Presentation, when applicable. The aforementioned criteria and assumptions do not follow any particular regulation and could include estimates and subjective valuations which could represent substantial differences in the information presented, should a different methodology be applied.

Market and competitive position data in the Presentation have generally been obtained from industry publications and surveys or studies conducted by third-party sources. Peer firm information presented herein has been taken from peer firm public reports. There are limitations with respect to the availability, accuracy, completeness and comparability of such data. Santander has not independently verified such data and can provide no assurance of its accuracy or completeness. Certain statements in the Presentation regarding the market and competitive position data of Santander are based on the internal analyses of Santander, which involve certain assumptions and estimates. These internal analyses have not been verified by any independent source and there can be no assurance that the assumptions or estimates are accurate. Accordingly, undue reliance should not be placed on any of the industry, market or Santander's competitive position data contained in the Presentation.

The distribution of this Presentation in certain jurisdictions may be restricted by law. Recipients of this Presentation should inform themselves about and observe such restrictions. Santander disclaims any liability for the distribution of this Presentation by any of its recipients.

Santander is not nor can it be held responsible for the use, valuations, opinions, expectations or decisions which might be adopted by third parties following the publication of this Presentation.

No one should acquire or subscribe for any securities in the Company on the basis of this Presentation. This Presentation does not constitute or form part of, and should not be construed as, (i) an offer, solicitation or invitation to subscribe for, acquire, sell, issue, underwrite or otherwise acquire any securities, nor shall it, or the fact of its communication, form the basis of, or be relied upon in connection with, or act as any inducement to enter into any contract or commitment whatsoever with respect to any securities; or (ii) any form of financial opinion, recommendation or investment or financial advice with respect to any securities.

This presentation is not a prospectus but an advertisement and investors should not subscribe for any new shares of Santander or purchase any pre-emptive subscription rights for new shares of the Santander referred to in this announcement except on the basis of the information contained in the prospectus of the rights issue to be registered by Santander with the CNMV. Once registered with the CNMV, the prospectus shall be publicly available at Santander's registered address and, in electronic format, in the web pages of Santander (www.santander.com) and the CNMV (www.cnmv.es). The Company expects to request the CNMV to passport the prospectus of the rights issue, once approved and registered, for the purposes of it being effective in the United Kingdom, Italy, Portugal and Poland.

This Presentation does not constitute an offer to sell, or a solicitation of an offer to subscribe for, the pre-emptive subscription rights or the new shares being issued in connection with the share capital increase, in any jurisdiction in which such offer or solicitation is unlawful or, as the case may be, until the applicable requirements for those purposes have been met. The distribution of this Presentation and/or the prospectus and/or the transfer of pre-emptive subscription rights and/or new shares into jurisdictions other than Spain, the United Kingdom, Italy, Portugal and Poland may be restricted by law. Persons into whose possession this Presentation comes should inform themselves about and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

The securities referred to herein may not be and will not be offered or sold in the United States unless in a transaction registered under the U.S. Securities Act of 1933 (the "Securities Act") or in a transaction exempt from, or not subject to, the registration requirements of the Securities Act. If any public offering of securities is made in the United States it will be made by means of a prospectus that may at the time of any such offering be obtained from Santander and that will contain or incorporate by reference detailed information about Santander and its management, as well as financial statements.

By receiving or accessing to this Presentation you accept and agree to be bound by the foregoing terms, conditions and restrictions.

3 Includes total RE assets and NPLs in Banco Popular perimeter, net of additional adjustments

We are assuming some revenue attrition while not including revenue potential upside

Revenue attrition due to...

- Clients overlap
- Santander Risk appetite
- Higher NPLs after provisions adjustment

Revenues 2019E:

**c.9%
